Delete a tool from the ONE-KEY™ mobile app

Use your smartphone or tablet to remove a tool from your digital inventory

Maybe one of your tools has been replaced with a newer model or is worn out beyond repair. Whatever the reason, you may on occasion need to delete a tool from your digital inventory. With the One-Key mobile app, you can easily do this from your phone.

Get started on the One-Key mobile app

- •Launch the One-Key mobile app.
- •The homepage, or Inventory Dashboard, will display on your screen.

How to delete a tool from your inventory

Sometimes your inventory needs to be tidied up. This section will explain how to delete a tool in One-Key from your mobile device.

1. Starting from the Inventory Dashboard, tap on the item you wish to delete from your inventory.

2. Your tool's detail card will display on the screen. From the Item Detail page, tap on the box at the top of the page where the name of your tool is displayed.

- 3. To delete the item, scroll down and tap on **Delete This Item** at the bottom of the screen.
- 4. A box will appear asking if you want to cancel or complete the action. To proceed with deletion, tap the "**Delete**" button on the right side of the box.
